Registrant.

Cancellation No. 92051140

TESTIMONY OF LEONID NAHSHIN

I, Leonid Nihshin, of Hazvi 153/36 Beer-Sheva, Israel, being first duly sworn under the oath,
state the following:

The information contained in this testimony is true and is based upon my personal knowledge.

1. Please give your full legal name and full address.

My name: Nahshin Leonid

My address: HaZvi st.153/36 Beer-Sheva Israel

Mailing Address:

P.O. Box 3599 84746 Beer-Sheva. Israel

2. Have you been known by any other names?

I had not been known under other names, but people know the name of my business -
"P.Service". I am an owner of "P. Service".

**3. Please describe in detail the general line of work you are
currently engaged in.**

I am a business owner of "P. Service" company. I am managing this business. In this business,
the only one line of work is selling the cigarette filters "Nic-Out".

4. How long have been you been engaged in this line of work?

I have been working in this line of work since 1999.

5. How did you come up with the name NIC OUT?

We had to come up with a name that would sound good in many languages and transmitted to the nature of the holder. My wife is fluent in English and together we came up with the name "Nic-Out". It was a successful combination, since it is abbreviated as NIC-nicotine, the most harmful substance in cigarettes, and OUT, then-throw, leaving the outside. It was at early 2000.

6. When precisely was the shipment with "NIC-OUT" forwarded to Yael Menkin?

In early November 2000, I sent a few blocks of "NIC-OUT" to the U.S. for Yael Menkin, she lived in the U.S., so that she began to look for to potential clients in the U.S., check out the filters market in America and the price levels. These were filters "NIC-OUT". About 4 blocks, included 80 packs. The parcels weight was 3.5 kg., sent by express mail.

7. Please describe in details the nature of your business arrangement with "Burda Ticaret"?

It was the business transaction between the product manufacturer and the owner of the trademark "NIC-OUT". I have been taking orders and money from the customers and place the orders for the production for the required number of disposable filters for my brand "NIC-OUT" in "BURDA TICARET". "BURDA TICARET" was producing and shipping goods according to my instructions. I was paying for their work.

8. Do you have written agreements with Burda Ticaret?

Yes, I do. At that time when I worked with "BURDA TICARET" we had an agreement, which was signed on January 1, 2001

9. In April of 2002 Safety Aid Supplies Inc. received their first large shipment of the NIC-OUT product for distribution and sale in the U.S". Did you oversee the selection of Nicolas Maslov as the distributor of the NIC-OUT product, and if so, please explain in detail the events surrounding that selection?

One of the employees of my business was familiar with Nikolai Maslov. Nikolai Maslov was permanently resided in America. We asked him to do the introduction of "NIC-OUT" in the U.S. market. Mr. Maslov responded very quickly on our proposal and presented a program of action. I liked this program and we began to cooperate. It was important that he agreed to make 100% payment in advance for the goods. It also strongly influenced our choice.

10. Do you have written agreements with Nikolai Maslov?

U.S. CUSTOMS
TSIPRIS
NY

Yes, I do. We had an agreement, which was signed on March 15, 2002.

11. When and how the first shipment of "Nic-Out" was sent to US for Nikolai Maslov?

In April 2002, me and my producer "BURDA TICARET" sent the first industrial cargo of "NIC-OUT" to America for "Safety Aid Supplies Inc." 20 master-cases.

The cargo was sent with the airline:

BRITISH Airways, Flight: BA -677

AWB 12584260886.

The cargo arrived in NY April 02, 2002.

The Cargo was cleared from custom and took by company "Safety Aid Supplies Inc".

12. Were there more orders "Nic-Out" for America?

"Safety Aid Supplies Inc." became to order from me the "NIC-OUT" in the U.S. constantly, until 2008 inclusive. Only in 2007, "Safety Aid Supplies Inc." purchased from us the "NIC-OUT" for the United States more than 145 thousand dollars. This is only a few documents for goods shipped to America during this period:

13. Please explain the nature of your involvement in the selection and registration of the domain name "nic-out.com" for the website.

Domain name "nic-out.com" was chosen by me personally according to the name of holders "Nic-Out".

Following my direction, in September 12, 2002, the manager of my company "P. Service" Alex Slobidker registered the domain nic-out.com.

Also, at the same moment the site www.nic-out.com was opened. The site is working today and is being actively promoted. The site is also an online store. Since 2005, direct sales of "NIC-OUT" from the site began, including the sales in the United States. The site and the product was known in the U.S., so customers have started to buy directly from the site. The document also indicates the address of the customers.

It should be noted that the site of the opponents - www.nicout.tv - was registered much later, in 2006.

14. What involvement did you have in the website's design, layout, content, advertising strategies, or other operations generally?

IR
079
VICTOR
ON

All articles on the site were written by me, based on personal knowledge that can confirm a sales manager, Alexander Slobidker.

15. How do you want to protect and register TM "Nic-Out" in the U.S.?

I asked from Yael Menkin to find for me a lower and to patent TM "NIC-OUT in the USA. On January 23, 2003, Yael Menkin filed USPTO Trademark Application. The USPTO Trademark Application Serial Number 78206651 with USPTO Word Mark: "NIC-OUT" for International Class "034", Goods & Services described as "G & S: cigarette filter holder to reduce the inhalation of tar and nicotine.; cigarette filter holder to reduce the inhalation of tar and nicotine." In 2004 we had to abandon this Trademark Application due to existence of prior pending Trademark Application Serial No. 78-163268.

16. What do you know about the goods "NIC-OUT", has been sending for "PRODUCT SOURCE INTERNATIONAL"?

And since 2006 during all 2007 P.Service has been sending goods also for "PRODUCT SOURCE INTERNATIONAL".

17. What kind of business relationship existed between you and Mr. Higgins, "Product Source International" owner?

Mr. Higgins behaves with me as "NIC-OUT" producer and owner. Mr. Higgins was the only one of the buyers of our products.

18. Why do you think that Mr. Higgins behaves with you as an owner of "Nic-Out"?

This can be seen from the correspondence.

At all AWB (AIR WAYBILL) for PRODUCT SOURCE INTERNATIONAL Was written: Shippers Name: "P.Service. Israel is the exclusive proprietor of "P. Service cigarette filters". From Mr. Nigensa had no objection. It was not just once but several times. He fit all.

19. What do you know about the actions of Mr.Higgins in 2009 to prevent the export of "Nic-Out" from P.Service in America?

At August 2009 Mr.Higgins closed access of "NIC-OUT" to American market. By this act he damaged our business.

I have suffered huge losses. Business in America, which I honestly had built 10 years, was stopped. It's awful. I feel as if I stole the thing in my life.

Deponent is required to produce at the deposition the materials described in Exhibit A attached to this document and incorporated by reference.

OFFICE ACTION

TO AVOID ABANDONMENT, WE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF OUR MAILING OR E-MAILING DATE.

Serial Number 78/206651 NIC-OUT

The assigned examining attorney has reviewed the referenced application and determined the following.

000123

Likelihood of Confusion

The examining attorney refuses registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d), because the applicant's mark, when used on or in connection with the identified goods/services, so resembles the mark in U.S. Registration No. 2337463 as to be likely to cause confusion, to cause mistake, or to deceive. TMEP §§1207.01 *et seq.* See the enclosed registration.

The examining attorney must analyze each case in two steps to determine whether there is a likelihood of confusion. First, the examining attorney must look at the marks themselves for similarities in appearance, sound, connotation and commercial impression. *In re E. I. DuPont de Nemours & Co.*, 476 F.2d 1357, 177 USPQ 563 (C.C.P.A. 1973). Second, the examining attorney must compare the goods or services to determine if they are related or if the activities surrounding their marketing are such that confusion as to origin is likely. *In re August Storck KG*, 218 USPQ 823 (TTAB 1983); *In re International Telephone and Telegraph Corp.*, 197 USPQ 910 (TTAB 1978); *Guardian Products Co., v. Scott Paper Co.*, 200 USPQ 738 (TTAB 1978). TMEP §§1207.01 *et seq.*

The applicant seeks registration of NIC-OUT for "cigarette filter holder to reduce the inhalation of tar and nicotine." The registered mark is NICOUT for "smoker's apparatus for puncturing holes in cigarettes." The applicant's mark is nearly identical to the mark in the cited registration. Despite the hyphen in the applicant's mark, the marks are spelled the same and sound the same.

Further, the applicant's goods are highly similar to the goods provided by the registrant. While not identically, the parties' goods are related in that they would be sold in the same channels of trade to the same purchasers, namely those seeking products that reduce the nicotine and/or tar in cigarettes.

Since the marks are confusingly similar, and the goods are highly related, it is likely purchasers would confuse the sources of the goods. The examining attorney must resolve any doubt as to the issue of likelihood of confusion in favor of the registrant and against the applicant who has a legal duty to select a mark which is totally dissimilar to trademarks already being used. *Burroughs Wellcome Co. v. Warner-Lambert Co.*, 203 USPQ 191 (TTAB 1979). Accordingly, the mark is refused registration under Section 2(d).

The applicant should note the following potential ground for refusal.

Prior Pending Application

The examining attorney encloses information regarding pending Application Serial No. 78-163268. The filing date of the referenced application precedes the applicant's filing date. There may be a likelihood of confusion between the two marks under Trademark Act Section 2(d), 15 U.S.C. §1052(d). If the referenced application matures into a registration, the examining attorney may refuse registration in this case under Section 2(d). 37 C.F.R. §2.83; TMEP §1208.01.

Action on this application will be suspended pending the disposition of Application Serial No. 78-163268, upon receipt of the applicant's response resolving the following informalities.

Cannot Assert §1(a) and §1(b) for the Same Goods

The applicant asserts use of the mark in commerce for "cigarette filter holder to reduce the inhalation of tar and nicotine " and applicant asserts that it has a bona fide intent to use the mark in commerce for the **same** goods. An applicant may not assert both use of the mark in commerce, under Trademark Act Section 1(a), 15 U.S.C. §1051(a), and intent to use the mark in commerce, under Trademark Act Section 1(b), 15 U.S.C. §1051(b), **for the same goods**. 37 C.F.R. §2.34(b)(1); TMEP §806.02(b). The

000124

applicant must delete one basis or divide the goods between the two bases, as appropriate.

Response

No set form is required for response to this Office action. The applicant must respond to each point raised. The applicant should simply set forth the required changes or statements and request that the Office enter them. The applicant must sign the response. In addition to the identifying information required at the beginning of this letter, the applicant should provide a telephone number to speed up further processing.

If the applicant does not have an attorney the applicant may wish to hire a trademark attorney because of the technicalities involved in the application. The Patent and Trademark Office cannot aid in the selection of an attorney. 37 C.F.R. §2.11.

If the applicant has any questions or needs assistance in responding to this office action, please telephone the assigned examining attorney.

15 сентября 2002 г.

Дорогой Виктор,

21-24 сентября в Нью-Йорке состоится выставка потребительских товаров (Variety Merchandise Show), в которой принимают участие производители почти из всех стран мира и оптовые заказчики Соединенных Штатов. Я закупил выставочный павильон и принимаю участие в этой выставке, надеюсь заключить дополнительные договоры на поставку нашей продукции в США.

К открытию выставки, не позднее вечера четверга, 19 сентября мне необходимо получить максимально возможное количество из имеющихся остатков мастер-кейсов с фильтрами (без изменений в упаковке).

Согласно нашей предварительной договоренности, прошу внести следующие изменения в оформление пачек сигаретных фильтров «NIC-OUT»:

1. Убрать надпись: **PROJECT OF P. SERVICE. ISRAEL**
2. Указать имя производителя (**Made in Turkey**) на упаковке блока из 20 пачек.
3. Новая версия главной рекламной фразы: **LOW TAR & NICOTINE – MORE TASTE**
4. Изменить сведения об импортере продукта (убрав телефон), где теперь должно писаться:
IMPORTER: Safety Aid Supplies, Inc. New York, USA www.nicout.com
5. Заменить на упаковке пачек и блоков европейский штрих-код на американский (его изображение помещено в приложении к данному сообщению).
6. Рекламные надписи на упаковке индивидуальных пачек и блоков фильтров должны быть выполнены параллельно на английском и испанском языках.

Предлагаю произвести срочную авиационную отправку небольшой партии сигаретных фильтров для использования на выставке, а затем, по мере готовности, отправить также по воздуху 50 мастер-кейсов, то есть 36,000 пачек (36 блоков по 20 пачек в каждом). Исходя из вышеизложенного, прошу сообщить, сколько всего денег я должен перевести за эти две операции на Ваш счет в Израиле.

Уточняю банковские реквизиты:

Company: «P.SERVICE». Address: ABRAHAM NAPO 10.3 BEER-SHEVA, ISRAEL.

Bank: LEUMI Branch: 922 Acct.: 013872/68 Bank Address: MERKAZ HANEDEV 54, BEER-SHEVA, ISRAEL.

SWIFT: LUMI – ILI TTLV Bank telephone: 972-8-640-5321

000154

Отгрузочные документы следует оформлять на компанию:

Safety Aid Supplies, Inc. Address: 3411 Irwin Avenue, Suite 6F, Bronx, New York, NY 10463 USA

Tel: 646-261-3366. Fax: 718-543-4587. Имя получателя груза: N. Maslov, Director

Прошу отправить в мой адрес все виды рекламной и вспомогательной печатной продукции, имеющиеся в Вашем распоряжении, для использования в оформлении выставочного павильона.

Надеюсь, что в дальнейшем удастся отпечатать красочный рекламный планшет (размером A2) с крупным изображением фильтра и текстом на английском языке - с одной стороны и на испанском языке - с другой стороны. (Текст - в приложении к данному сообщению.) Тираж - приблизительно, по одному планшету на каждые пять блоков фильтров.

С наилучшими пожеланиями,
Н. Маслов.

(Emmy-winner Mariette Hartley hosts this investigative program spotlighting the most important health and lifestyle issues confronting America. The objective: help our viewers make the most informed, intelligent choices for themselves and their loved ones.)

12. Проведенное исследование показало, что на мировом рынке пользуются известностью ряд аналогичных изделий, в частности, японского производства. Как известно, в Японии проблема курения стоит особенно остро. Вместе с тем, распространенность и наличие в продаже фильтров такого типа в США ничтожно мала в сравнении с европейскими и азиатскими странами. Это позволяет рассчитывать на заполнение нами существующей ниши и быстрое наращивание объема продажи данного товара.

13. Отсутствие средств на рекламу для быстрого освоения рынка чревато тем, что инициатива может быть перехвачена другими фирмами, как только они почувствуют поднимающийся спрос. В этой связи уже на начальном этапе работы в Северной Америке предусматривается принятие ряда мер для защиты торговой марки и авторских прав, лицензирования продукта, а также создания других юридических барьеров на пути крупных конкурентов.

14. На базе литографического предприятия «Edison Litho & Printing Corp.» будет выпущен пробный тираж красочных рекламных выставочных стендов и планшетов, которые снабжены вакуумной присоской для укреплении на стекле витрин и подставкой для размещения на прилавке. На планшете, на фоне звездно-полосатого американского флага, вверху надпись, особо популярная в США после террористических актов 11 сентября: PROUD TO BE AN AMERICAN (ГОРЖУСЬ ТЕМ, ЧТО Я АМЕРИКАНЕЦ). Ниже - прикреплены несколько эмалированных нагрудных значков в виде американского флага. В центре композиции - лозунг «Enjoy Nic-Out for the Healthy Nation!» (Воспользуйся «Ник-Аут» во имя здоровья нации!). Ниже - статистические данные о вреде курения и достоинствах рекламируемого фильтра, а также сообщение о том, что каждому покупателю вместе с пачкой фильтров вручается бонус - значок в виде флага США. Еще ниже полочка для пачки листовок. В листовках стандартного формата с иллюстрациями содержится краткое разъяснение принципа работы никотинового фильтра, заключение известного американского исследовательского центра, откликами медиков, биологов и пользователей этого уникального своей простотой и эффективностью приспособления, спасающего здоровье и жизни курящих граждан. (Образец дизайна стенда-планшета, а также текст Договора прилагаются.)

С наилучшими пожеланиями,
Н. Маслов.
